

A circular hot tub is the central focus, set within a spa area. The walls are covered in teal-colored square tiles, and the ceiling features a white grid pattern. A large, bright white oval shape is superimposed over the upper part of the image, containing the word 'ISSGARD' in yellow. Below this, the words 'Spa & Pool Collection' are written in white. The hot tub itself is white with a light-colored tiled deck and a metal handrail. A dark green plant is visible on the left side.
